Dear Ms. Schweinler,

The Summit-University Planning Council supports Fitzgerald's proposal to build an outdoor dining space attached to their restaurant at 173 Western Ave N.

Project representatives met with our Board of Directors at the May 22, 2018 meeting to discuss their proposal. The SUPC Board unanimously voted to support the patio plans.

We understand that they have been able to get signatures of support from about 33% of the surrounding neighbors, and are continuing to gather more. We look forward to attending the neighborhood informational meeting they plan on holding at the restaurant.

Please feel free to contact me if you have any further questions.

Thank you,

Jens Werner
