Dear Ms. Burger,

The Summit-University Planning Council supports extending the Fitzgerald's liquor license to include the patio area on the West side of their building.

The Board of Directors voted in favor of supporting this application at our January 22, 2019 Board meeting.

We appreciate the City of Saint Paul's willingness to work within our meeting schedule to allow us to discuss this issue with the project lead. He attended two of our meetings in order to be available for questions and comments.

Please feel free to contact me if you have any further questions.

Thank you,

Jens Werner
