RE: Capital Call for SMH, Inc. (the "Corporation")

Dear Mr. Shambolia,

The Corporation requires each shareholder to contribute additional capital ("Additional Capital") in the form of a capital contribution other than each shareholder's initial capital contribution, in order to enable the Corporation to pay its operating expenses, to meet its obligations in a timely fashion, to maintain sufficient working capital, and to make any other expenditures necessary or desirable to carry out its objectives. The amount of Additional Capital necessary is \$38,900.

Please provide your Additional Capital in the amount of \$38,900 no later than Monday, October 9, 2017. If you do not provide \$38,900 within the 10-day time period, the other Shareholders (each a "Contributing Shareholder") may contribute all of the amount which you fail to advance, and the Contributing Shareholder(s) shall also have the right, but not the obligation, to distribute to you the amount of your entire capital account in the Corporation and terminate your interest in the Corporation.

Sincerely,

RE: Capital Call for SMH, Inc. (the "Corporation")

Dear Mr. Shambolia,

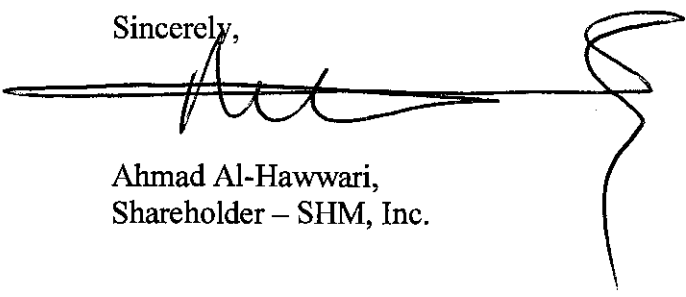

By letter dated September 27, 2017, the Corporation notified you that it required each shareholder to contribute additional capital ("Additional Capital") in the form of a capital contribution other than each shareholder's initial capital contribution, in order to enable the Corporation to pay its operating expenses, to meet its obligations in a timely fashion, to maintain sufficient working capital, and to make any other expenditures necessary or desirable to carry out its objectives. The amount of Additional Capital necessary from you was \$38,900.

Pursuant to the organizational documents of the Corporation, the deadline for you to provide your Additional Capital in the amount of \$38,900 was October 9, 2017. Other Shareholders of the Corporation (each a "Contributing Shareholder") provided their respective Additional Capital by such deadline, but you did not provide any Additional Capital by such deadline.

Each such Contributing Shareholder has now contributed all of the amount which you failed to advance to the Corporation, and pursuant to the organizational documents of the Corporation, the Contributing Shareholders now have the right to distribute to you the amount of your entire capital account and terminate any interest you may have held in the Corporation.

The Contributing Shareholders hereby notify you that they are exercising their respective rights to distribute to you the amount of your entire capital account in the Corporation and terminate any interest you may have held in the Corporation. As you did not ever contribute any capital to the Corporation, the amount of your capital account to be distributed to you is \$0.00. Any interest in the Corporation that you may have held is terminated.

Sincerely,

Ahmad Al-Hawwari,
Shareholder – SHM, Inc.
