sketches, photos, codes, laws, policies	

Checklist for all land-use decisions

The land-use decision is consistent with the Parks and Recreation System Plan, Comprehensive Plan, and other relevant planning
documents
The land-use decision would have a neutral or positive impact on meeting existing/future demand for parkland.
If the land-use decision has a budgetary impact, funding is available to cover the cost of the action and any ongoing maintenance needs
The action would enhance the parks and recreation system

- ☐ There is community and/or institutional support for the decision
- ☐ There is a clear understanding of how the decision impacts the future of the parks and recreation system
- ☐ The action is consistent with the applicable decision principles outlined in the Parks and Recreation Vision Plan:
 - Furthering Parks' role as the champion of health and wellness
 - Is a catalyst for private-sector investment
 - Exemplifying environmental leadership
 - Addressing lifecycle and operational costs
 - Helping connect people, parks, trails, and open spaces
 - Supporting a City-wide system of parks and recreational facilities
