CITY OF SAINT PAUL SUPPORT – AFFORDABLE HOUSING

- Needs
 - Countywide engagement to make more affordable housing stock accessible for people with common barriers
 - Inclusive discussions on the need and available resources regarding affordable housing
 - Commitment to ongoing involvement in the affordable housing conversation

CITY OF SAINT PAUL SUPPORT – AFFORDABLE HOUSING

- 2015 HUD income limit for affordable housing is 80% of AMI (metro area median income), or \$65,800 for a family of 4.
- \$15/ hour = \$31,200 annually, or 47.4% of affordability limit.
- Lack of affordable housing stresses homelessness response continuum
- Coordinated Entry priority lists extremely long – housing is not guaranteed and there is not enough supportive housing
 - Targeting the hardest to serve – many ineligible for the majority of

Ramsey County Comprehensive Plan and Affordable Housing Units Needed 2021 to 2030

New households earning up to 80% of AMI and paying up to 30% of income on housing

- St. Paul = 1,973
- Suburbs = 1,868
- County Total = 3,841

CITY OF SAINT PAUL SUPPORT – LANDLORD ENGAGEMENT

- Since 2016, the number of Renter households has begun to outnumber the number of homeowners
- Supportive Housing Projects require negotiation with private landlords to house individuals and families
- Vacancy rates have been fluctuating between 2% and 4% since 2012

CITY OF SAINT PAUL SUPPORT – LANDLORD ENGAGEMENT

- Needs
 - Incentives for landlords to rent to residents with housing barriers
 - Support for landlord networking and workshop opportunities
 - Support for landlord education
 - Legislative and regulatory reform towards tenant equity
 - Support for tenant training

CITY OF SAINT PAUL SUPPORT – SHELTER

- Lack of shelter
 - People are regularly forced to sleep in places not meant for human habitation due to lack of shelter beds
 - Lack of safe beds for single female adults
 - Families shelter impacts
 - Lack of family shelter beds hides family homelessness within data leading to less resources

CITY OF SAINT PAUL SUPPORT – LEADERSHIP AND COLLABORATION

- Solutions to homelessness on an individual and system wide level require a multifaceted approach
- Diverse stakeholders across sectors engage with homelessness and housing instability in different independent ways
- Needs
 - Better alignment and coordination of how we define and respond to homelessness is essential to improve outcomes for those we serve
 - Consistent, on-going communication will support how well the continuum responds to the needs of the community
 - Engaged and committed leadership will help unify and define strategies, values, and initiatives

Conclusion:

- County and City-wide engagement on the efforts to increase affordable and accessible housing stock to people with common barriers
- Engage and incentivize landlords to rent to people with common housing barriers
- Use available data and tools to educate and expand network of landlords and improve landlord relations
- Invite HHR to have a “seat at the table” for better collaboration with the continuum partners
- Expand shelter resources for youth, families, and single women
- Continue to work together to better improve the homeless response system
