To Whom It May Concern:

I am providing this written statement to confirm that as of July 1st, 2017 I have been granted the opportunity to lease the premise at 1626 White Bear Avenue as my main business operation for Bamboo Hut; and also the adjacent unit inside of 1624 White Bear Avenue for consideration to open as an assembly type of hall once codes and other related City of Saint Paul's and its Department of Safety and Inspection (DSI) ordinances have been met and deemed so. The lease, as stated, will include essential furniture owned by the landlord and/or those previously leased machineries and equipment from the respective businesses and/or vendors.

I further stated that Bamboo Hut LLC has been formally incorporated with its own Federal Tax Identification Number or the Employer Identification Number (EIN), its own MN Tax Identification Number and that I have acquired the lease and leased property to operate Bamboo Hut free and clear without any financial transaction being made or that of any transferring costs to Bamboo Hut to and from the previous business; and that I am applying for my own licensing and any other related official governmental permits and/or licenses hereafter.

Thank you,

Tzianeng Vang,
Owner of Bamboo Hut
