

Hello Councilors,

Close Ayd Mill road. Then just don't reopen it. I have a bunch of ideas about what we could do with it. The community writ large has a bunch of better ideas about what we could do with it. But quite honestly, closing the thing and not reopening it, just that is a \$3.5 mil benefit to the community and a solution to a bunch of other problems.

So maybe just don't spend the money on it.

Seriously though.

Don't.

Your friend and neighbor,
Tom Basgen
