BBY

Order #:

1118339104899

Customer Name: John Maranda Customer Phone #: (763) 688-4916

Form Information

Created:

3/22/2019 12:40PM

Store Submitted Reason:

Initial Comments:

Store Action(s) Taken:

Client has been cited by fire marshal for a code violation on the dryer install we performed. Per marshal the venting must be both rigid and insulated. Please work with client to resolve this issue.

Customer accidentally called Oakdale store again about same issue. Informed him that he already had escalation set up and to check his phone for a voicemail. KW
