Re: Appeal for Property at 1621 Arcade Street

Dear Ms. Jacobson:

This is to confirm that on April 16, 2019, at the Legislative Hearing, Marcia Moermond, the Legislative Hearing Officer is recommending the following to the City Council in the above-referenced matter:

- If within the next 7 days the garage is stabilized under permit to prevent it from collapsing, she will recommend an additional 90 days be granted for completing the repair or removal of the structure. Please note the inspector will need to sign off on the permit.
- If the garage is not stabilized in the next 7 days, she will recommend that the structure be demolished by April 26, 2019. If the structure has not been demolished by that time, the City will move forward with demolition the following week. Please note that the cost to remove the garage will be assessed to the owner of record. As discussed, assessments of this nature can be divided over 5 years upon request and the interest rate has been between 3.5% and 4% over the last year.

The City Council Public Hearing on this matter is scheduled for **April 24, 2019 at 3:30 p.m. in Council Chambers, Room 300 City Hall**. If you have any questions, please contact me at 651-266-8563. There will be a new resolution before the City Council on May 1, 2019 at 3:30 p.m. in Room 300 Council Chambers to determine if you are in compliance with the stabilization of the garage. Please disregard my two previous letter sent.

Sincerely,

/s/
