Dear Saint Paul Property Owner,

You are receiving this letter because you have indicated to the City that you believe the delinquent charge for garbage services at your property 1242 EDGERTON ST is in error. We have reviewed your request and have determined that the charge for your garbage service was not made in error. The following is the reason for the charge.

REASON FOR CHARGE:

Your property is classified as a two-family dwelling according to Ramsey County property tax records. You were delivered 1 35-gallon Small Weekly cart (serial # 09182555) and 1 64-gallon Medium cart (serial # 0918822950) on September 12th, 2018, prior to the start of citywide garbage service. You are responsible for paying the outstanding balance that is owed to the City.

Under citywide garbage service, all residential properties with up to four units, including rental homes and townhomes, are required to have a garbage cart and receive garbage service for each dwelling unit. You must provide garbage service for all occupied dwellings. There is no option to opt out of the citywide garbage service. You may contact your garbage hauler to adjust the size of your garbage carts to accommodate the service levels for the two Residential Dwelling Units at your property.

Chapter 220 of the Saint Paul Code of Ordinance states that:

- Each Residential Dwelling Unit shall be billed for all trash collection costs
- Failure to pay for services shall result in the special assessment of the costs of those services, along with any applicable fees, penalties or administrative costs against the real property on which the Residential Dwelling Unit is situated

If you have a vacant unit at your property, you can request to have garbage service suspended for that unit with a vacancy hold. Please call 651-266-6101 to request a vacancy hold. Vacancy holds are not applicable retroactively. You are still responsible for paying the bill for Quarter 4 2018 (October – December) service.
