

HOUSING AND REDEVELOPMENT AUTHORITY OF THE CITY OF SAINT PAUL, MINNESOTA

REPORT TO THE COMMISSIONERS

DATE: MAY 22, 2019

REGARDING: RESOLUTION APPROVING THE ISSUANCE BY THE CITY OF COON RAPIDS OF CONDUIT MULTIFAMILY HOUSING REVENUE BONDS ON BEHALF OF COON RAPIDS AH I, LLLP USING, IN PART, RECYCLED BONDING AUTHORITY FROM THE PIONEER PRESS BUILDING PROJECT, 345 CEDAR STREET, DISTRICT 17, WARD 2.

Requested Board Action

The purpose of this report is to request the Housing and Redevelopment Authority (HRA) Board of Commissioners to approve a resolution authorizing and approving the issuance of conduit revenue bonds using, in part, recycled bonding authority from the repayment of bonds from the Pioneer Press building for an 168-unit affordable housing project located in the City of Coon Rapids, Minnesota (the “Issuer”) through the execution of a Joint Powers Agreement.

Background

The Pioneer Press building (the “Project”) is located at 345 Cedar Street. Real Estate Equities (REE), an affordable housing developer, purchased the building and converted it into 143 units of affordable rental housing. On June 14, 2017, the HRA approved Resolution No.17-929 for the issuance of up to \$24,000,000 in conduit tax exempt housing revenue bonds to help finance the Project. The law permits the reuse of bonding authority for affordable housing projects and treats the reuse as a refunding for tax purposes in certain limited circumstances related to timing of when the bonds were issued, when they can be refunded, and when the bonds mature. The refunded bonds do not get new 4% Low Income Housing Tax Credits. The Pioneer Press project was completed earlier this year and is nearly 100% occupied; REE has or will repay a portion of the bonds issued by the HRA for the Project.

REE would like to reuse bonding authority from the Project to finance two projects, this project in the City of Coon Rapids and a second 127-unit project in the City of Brooklyn Center, which is proposed in a separate resolution. Staff is evaluating the reuse of this bond authority for other

projects within Saint Paul and will prioritize this use. However, the amount of recycled authority will exceed the potential use for Saint Paul projects, and the exact amount to be used will be determined by HRA staff prior to the execution of the Joint Powers Agreement. The proposed resolutions do not bind the HRA to recycle a specific dollar amount for either of the two projects to be developed by REE.

Developer Experience

Real Estate Equities has extensive multi-family housing experience. Founded in 1972, they have been the developer and managing partner in more than 70 projects in excess of 10,000 housing units with projects in Minnesota, Wisconsin, Ohio, Missouri, South Dakota, and Indiana. Currently their portfolio consists of approximately 3,888 housing units that range from artist lofts, luxury apartments, traditional apartments, affordable apartments, as well as senior apartments. In Saint Paul, a couple of projects that they both own and manage include The Parkside market rate apartments in Lowertown, the Ames Lake Neighborhood family affordable units, and Humboldt affordable senior apartments.
