

Improper dumpster assignment, improper charges, improper penalties, Improper fragmentation of responsibility for resolution of something that at one time would take only a simple 'phone call to correct a minor misunderstanding, improper usurpation by a corrupt government of private enterprise for political gain and tax/finance confiscation, improper and extreme hardship on residents in having to deal with such a burdensome, inconvenient, and time-consuming "resolution" process as this.

Improper! AS IF ANYONE IN "GOVERNMENT" REALLY GIVES A DAMN! The problem isn't with the garbage company, who you want to blame for any issue. The problem is you; GOVERNMENT! DAMN! AND, your stupid form doesn't even offer the option of sending a copy of the submission to my e-mail. DAMN! What good is a "confirmation" that my "COMPLAINT" has been received? Might just as well say: It went to "The Great Gyre!" DAMN! To top it off, your form can't even recognize a 'phone # with dashes, even though the form uses dashed 'phone numbers; nothing like saying: "Do as I say, not as I do!"! DAMN! Typical Government! DAMN! DAMN GOVERNMENT and their tiny, (hiding among their filing cabinets and credenzas) bureau-cRATs! DAMN! AND, I can't even read the file I put into this document (from the form, though obviously
