REPORT TO THE COMMISSIONERS

**DATE: MAY 22, 2019** 

**REGARDING:** 

RESOLUTION APPROVING AND AUTHORIZING \$200,000 IN HRA LOAN ENTERPRISE FUNDS TO SCHMIDT KEG HOUSE HOLDING,

LLC, 928 WEST 7<sup>TH</sup> STREET, DISTRICT 9, WARD 2

**Requested Board Action** 

Approve a \$200,000 loan to Schmidt Keg House Holding, LLC for the completion of an adaptive reuse development of a historic property at 928 West 7<sup>th</sup> Street.

**Background** 

The Schmidt Keg House was built in 1937 as an expansion of the Jacob Schmidt Brewery. The long-vacant and much-deteriorated structure was acquired in 2015 by Schmidt Keg House Holding, LLC ("Developer"). The building was redeveloped to HPC and SHPO standards and repurposed as a food hall, the Keg & Case Market ("Market"). It partially opened in September 2018, and is now fully-operational. The hall holds approximately 24 businesses and has created between 200 and 300 jobs.

Total project costs for the Market came in at \$10.4 million, approximately \$500,000 over budget. Primary reasons for the cost overruns were: 1) extraordinary historic rehab costs; 2) extraordinary environmental abatement costs; and 3) delays in the construction schedule related to the previous items and code/compliance items.

The Developer was able to cover \$300,000 of the cost overruns from additional bank debt related to monetizing the Market's parking lot and year-one cash flow, but is unable to access additional private sources. The PED Resource Team has recommended a \$200,000 loan to cover the remaining gap, matching the interest rate of the market financing, or 6.0%. Repayment of the loan will be deferred through the end of the historic tax credit compliance period in 2024, with possible interest forgiveness tied to the Developer's participation in a Cultural Destination Area ("CDA") project within the Market.

## **Budget Action**

This loan is funded from the fiscal year 2019 budgeted funds in the HRA Loan Enterprise – Business Assistance Program. No budget amendment is required. If this resolution is adopted, the balance in the program will be \$423,077.

The term of the loan would be five years, with all principal and interest deferred until maturity in 2024. The interest rate would be 6.0% to match the existing first mortgage debt. Accruing interest will be forgiven based on leasing a defined food stall for use by the CDA Collaborative for a discounted rate. The loan will be a full-recourse obligation of Schmidt Keg House Holdings, LLD. The HRA will have a mortgage interest in the Market; a separate security interest in the Market's fixtures, equipment, and other business assets; and a personal guaranty from Craig Cohen.
