Mai, Can you email the attorney on this, Sathree, and tell him the City still doesn't have a record of the performance deposit and would like evidence of its submission. Thanks, Marcia

There is no performance deposit payment sitting in a pile anywhere in our permit counter area for 1143 Woodbridge. If the check has actually already been processed by the City, then it must have been attributed to another address. Can the property's representative show evidence of the check having been cashed?
