Hello Scott,

I just called and left you a voicemail, but I wanted to follow up via email as well.

There is currently a pending assessment of \$110.49 for your property at 464 Edmund Ave for garbage service from Quarter 4 of 2018. In your legislative hearing request, you indicated that you have already paid this amount to Republic Services.

After 90 days of non-payment, on 1/5/19, Republic Services turned over the delinquent balance to the City. Once the balance is turned over to the City, you are responsible for paying the delinquent balance to the City. Any payment made to Republic Services after 1/5/19 was applied to your account moving forward.

Can you let me know when the payment to Republic cleared your financial institution? If it cleared prior to 1/5/19, I will look into the issue further with Republic Services to make sure you are not paying twice for this service. If it cleared after 1/5/19, you will be responsible for paying the delinquent balance to the City. You can pay the assessment at [www.stpaul.gov/assessments](http://www.stpaul.gov/assessments).

Please feel free to call me at 651-266-6216 if you prefer to speak over the phone.

Thank you,

The Most Livable  
City in America
