Ms. Weinert,

Because the public hearing is on May 22, this Wed, we have not prepared a file for review at the Legislative Hearing (original hearing date was April 25), the hearing officer will continue the matter from the May 22nd for her review on May 30 at 9:00 a.m. in Room 330 City Hall.

If you are able to attend on May 30th, you may do so. Otherwise, we will put your reasoning on the record and she will make a recommendation for Council on June 12, 2019 at 3:30 p.m. in Room 300 City Hall.

Hello Mai-

I was told to contact you regarding our legislative hearing. We were unable to attend due to my work schedule.

We have late fees from trash collection because our bill was being sent to the former owners of the home. Aspen forgave all of the late fees that they could, but apparently some were sent to you before we had called.

I'm a little concerned about the hearing being our only recourse- I am a health care provider and it is difficult for me to get time off during the day.

Please let us know how we can handle this,
