Hi Mai and Marcia,

Republic finally got back to me on these LH questions.

**583 Edmund Ave-** Resident does not have a cart. She had called into RS and told them that. **I recommend that we remove the Q4 2018 assessment** as they did not get a replacement cart out to her. It looks like they did cancel her service for Q1 2019. We will be delivering a small EOW cart as she is required to have service moving forward.

**463 Edmund Ave** – No payment was made on this account until 01/22/19. The Q4 2018 amount should stand as the payment was applied to Q1 2019.

Chris
