Mr. Volk,

I don't know if I sent this to you already. Marcia wants me to send you a picture of the where the containers were at. Advanced went to the property and found they would have no issues managing 3 carts from the alley location. Therefore, she is recommending approval of your delinquent garbage bill assessment.

The City Council is today (June 12) at 3:30 p.m. in Room 300 City Hall. This was also noted in your notice of hearings sent on April 25.
