St. Paul City Council Public Hearing Notice
Wednesday, June 19, 2019 at 5:30 pm
to create a new Residential Permit Parking Area 8

May 16, 2019

What is happening?
Public Works has received a sufficient petition to expand existing Residential Permit Parking Area 8. The proposed restriction is "No Parking, Except by Permit Area 8." A Public Hearing with City Council will be held on this proposed resolution on June 19.

Where is it happening?
See map on back. Permit parking is proposed to be added on the both sides of Concordia Ave, Carroll Ave and Iglehart Ave from Asbury St to Pascal St N. Note that posted restrictions on Asbury St between Iglehart and Concordia adjacent to residential properties will be changed to be consistent with the rest of Area 8.

When and where is the public hearing?
Wednesday, June 19, 2019
Public Hearings begin at 5:30 p.m.
City Council Chambers, 3rd Floor City Hall (15 W. Kellogg Blvd, St. Paul, MN 55102)

What is the purpose of the public hearing?
Residents may give public comment and input about the proposed Residential Permit Parking Area 8 resolution.

What will happen if the resolution passes?
If the City Council approves the new Residential Permit Parking area resolution, eligible residents in the parking permit area (see map on back) will receive a letter from the city with instructions to receive designated parking permits. The Residential Permit Parking Area 8 would be in effect as soon as the city posts the signs, which can be up to 30 days after the resolution passes.
