25 West Fourth Street
St. Paul, MN 55102-1600

Dear Ms. Stiffler,

At its May 1 meeting, the Union Park District Council considered the following two permit parking requests:

- Request #1 - Expansion of Area 8 – Permit parking on Concordia Ave, Carroll Ave, Iglehart Ave from Asbury St to Pascal St North
- Request #2 - Proposed New Area 4 – Permit parking on Concordia Ave from Pierce St to Snelling Ave, north side of Carroll Ave from Pierce St to Fry St, Carroll Ave from Fry St to Snelling Ave, east side of Pierce St from Concordia Ave to Carroll Ave, and Fry St from Concordia Ave to Carroll Ave

The full board of the Union Park District Council voted to recommend approval of Request #1.

The full board of the Union Park District Council voted to recommend approval of Request #2 with two stipulations:

- That the City of St. Paul consider a seasonal parking permit from April to November. This will provide parking protections for residents during the time that Allianz Field is primarily in use, but not create added burdens during the winter.
- That the City of St. Paul consider no parking permit parking in front of or across from the businesses listed: Kiwi Properties, ET Properties, CoOp Plating, Total Tool, Minnesota Alternatives, All Energy Solar and Tiger Traffic.

These recommendations were made due to the overwhelming neighborhood support and concerns about existing parking scarcity, especially in relation to the recent opening of Allianz Field.

Please let me know if you have any questions.

Sincerely,

Brandon Long, Executive Director
Union Park District Council
