Mr. Clement,

This is confirming our conversation this morning.

I will not be able to accept the appeal on your Correction Notice dated 4/9/19, as it is too late to appeal it. If there is another level of enforcement and you receive another document from the inspector, please make sure it is appealed within ten days or by the compliance date, whichever comes first.

I have your \$25 fee that you paid for this appeal. I can put that fee toward the appeal of a future notice. You could just mail in your next appeal.

If you prefer that we refund your \$25 in cash, please let me know right away.

For your convenience, I have attached an application to use in the future.
