

2019 OFFICERS

President Karen Freeman-Wilson Mayor Gary, Indiana

First Vice President Joe Buscaino Councilmember Los Angeles, California

Second Vice President Kathy Maness Councilmember Lexington, South Carolina

Immediate Past President Matt Zone Councilmember Cleveland, Ohio

Chief Executive Officer/ Executive Director Clarence E. Anthony

The Honorable Mayor Melvin Carter Mayor, City of Saint Paul Mayor's Office, City Hall

Dear Mayor Carter:

April 22, 2019

The National League of Cities (NLC) is pleased to have the City of Saint Paul to participate in the 2019 *Cities Supporting a Strong Prenatal to Age 3 Agenda* technical assistance and grant initiative. As part of the grant component, your city will receive a grant in the amount of \$15,000. We believe the work plan that the city's grant application described holds great promise as a strategy to promote Prenatal to Age 3 programs and policies in your community.

Grant funds may be spent on costs associated with project activities as identified in your approved project budget. The grant funds must be spent during the grant period from **May 2019 through December 31, 2019**.

Through this initiative, NLC's Institute for Youth, Education and Families will provide technical assistance through site visits, one-on-one phone calls and peer learning opportunities in the form of two in person meetings and quarterly webinars, to help participating city teams develop and implement their project plans to spread and accelerate the adoption of promising policies and practices that support the full and healthy development of infants and toddlers.

By accepting this grant, the City of Saint Paul agrees to:

- Activate an existing team consisting of city and community leaders to lead and coordinate local activities related to aligningPN-3 strategies with current city priorities. This team will identify a city leader responsible for corresponding with NLC as well as local team members;
- Develop or enhance a PN-3 action plan that includes specific goals, outcomes, and strategies to reach infants, toddlers and their families;

make meaningful progress toward implementing at least one strategy by December 2019;

- Adopt a common set of metrics to measure the impact of the PN-3 interventions and examine steps to collect these data;
- Participate fully in ongoing technical assistance calls, coordinate site visits, connect with peers and send three representatives to one cross-site meeting;
- Work with NLC staff to highlight the work in cities, including contributing a blog post to NLC's CitiesSpeak blog and participate in quarterly Twitter chats; and
- Submit a final report by December 31, 2019 with a financial statement and a detailed narrative account.

We look forward to working with your city throughout the remainder of the grant project as you lead efforts to ensure more children are prepared for kindergarten by focusing on the critical period of child development from birth to age three. If you have any questions or would like more information, please contact Jammie Albert, Principal Associate at (202) 626-3144or <u>albert@nlc.org</u>.

Sincerely,

Tonja Rucker Director, Early Childhood Success Institute for Youth, Education and Families

<u>Cities Supporting a Strong</u> <u>Prenatal to Age 3 Agenda</u>
