To Whom it may Concern CITY CLERK

I would like to appeal the claim against me - Mary Stefan. For the cutting of tall grass and/or weeds.

I received the Notice to cut tall grass and/or weeds on Saturday Aug 25<sup>th</sup>, 2018. It was dated Aug 23<sup>rd</sup>, 2018.

I was gone that weekend. It then rained Monday and Tuesday (Aug 27 & 28, 2018). Wednesday Aug 29 I was woken up by the city, cutting my grass.

I spoke to the guy in charge, as we were talking he said the city usually gives one week notice. I did NOT get a week's notice.

The city proceeded to cut the front and back yards. The tall grass in my driveway was taken care of Thursday Aug 30, 2018 by myself.

I think giving a 4 day notice during the summer is unfair. As people are gone and/or busy otherwise.

I am on Disability and really can't afford to pay the fee. It was my intention to cut my own lawn Wednesday Aug 29<sup>th</sup>, 2018 as the weather cleared up. But wasn't given the chance.
