Pat:

Here are some pictures of improvements to my house at 1122 Jackson, New Front Stone Wall (\$3000⁰⁰), New Front Door, New Back Door (not shown) (\$3000⁰⁰).

Also pictures of abandoned and destroyed at the end of my block located at 1140 Jackson. I am the only resident, occupant on the whole block (1104 Jackson to 1140 Jackson).

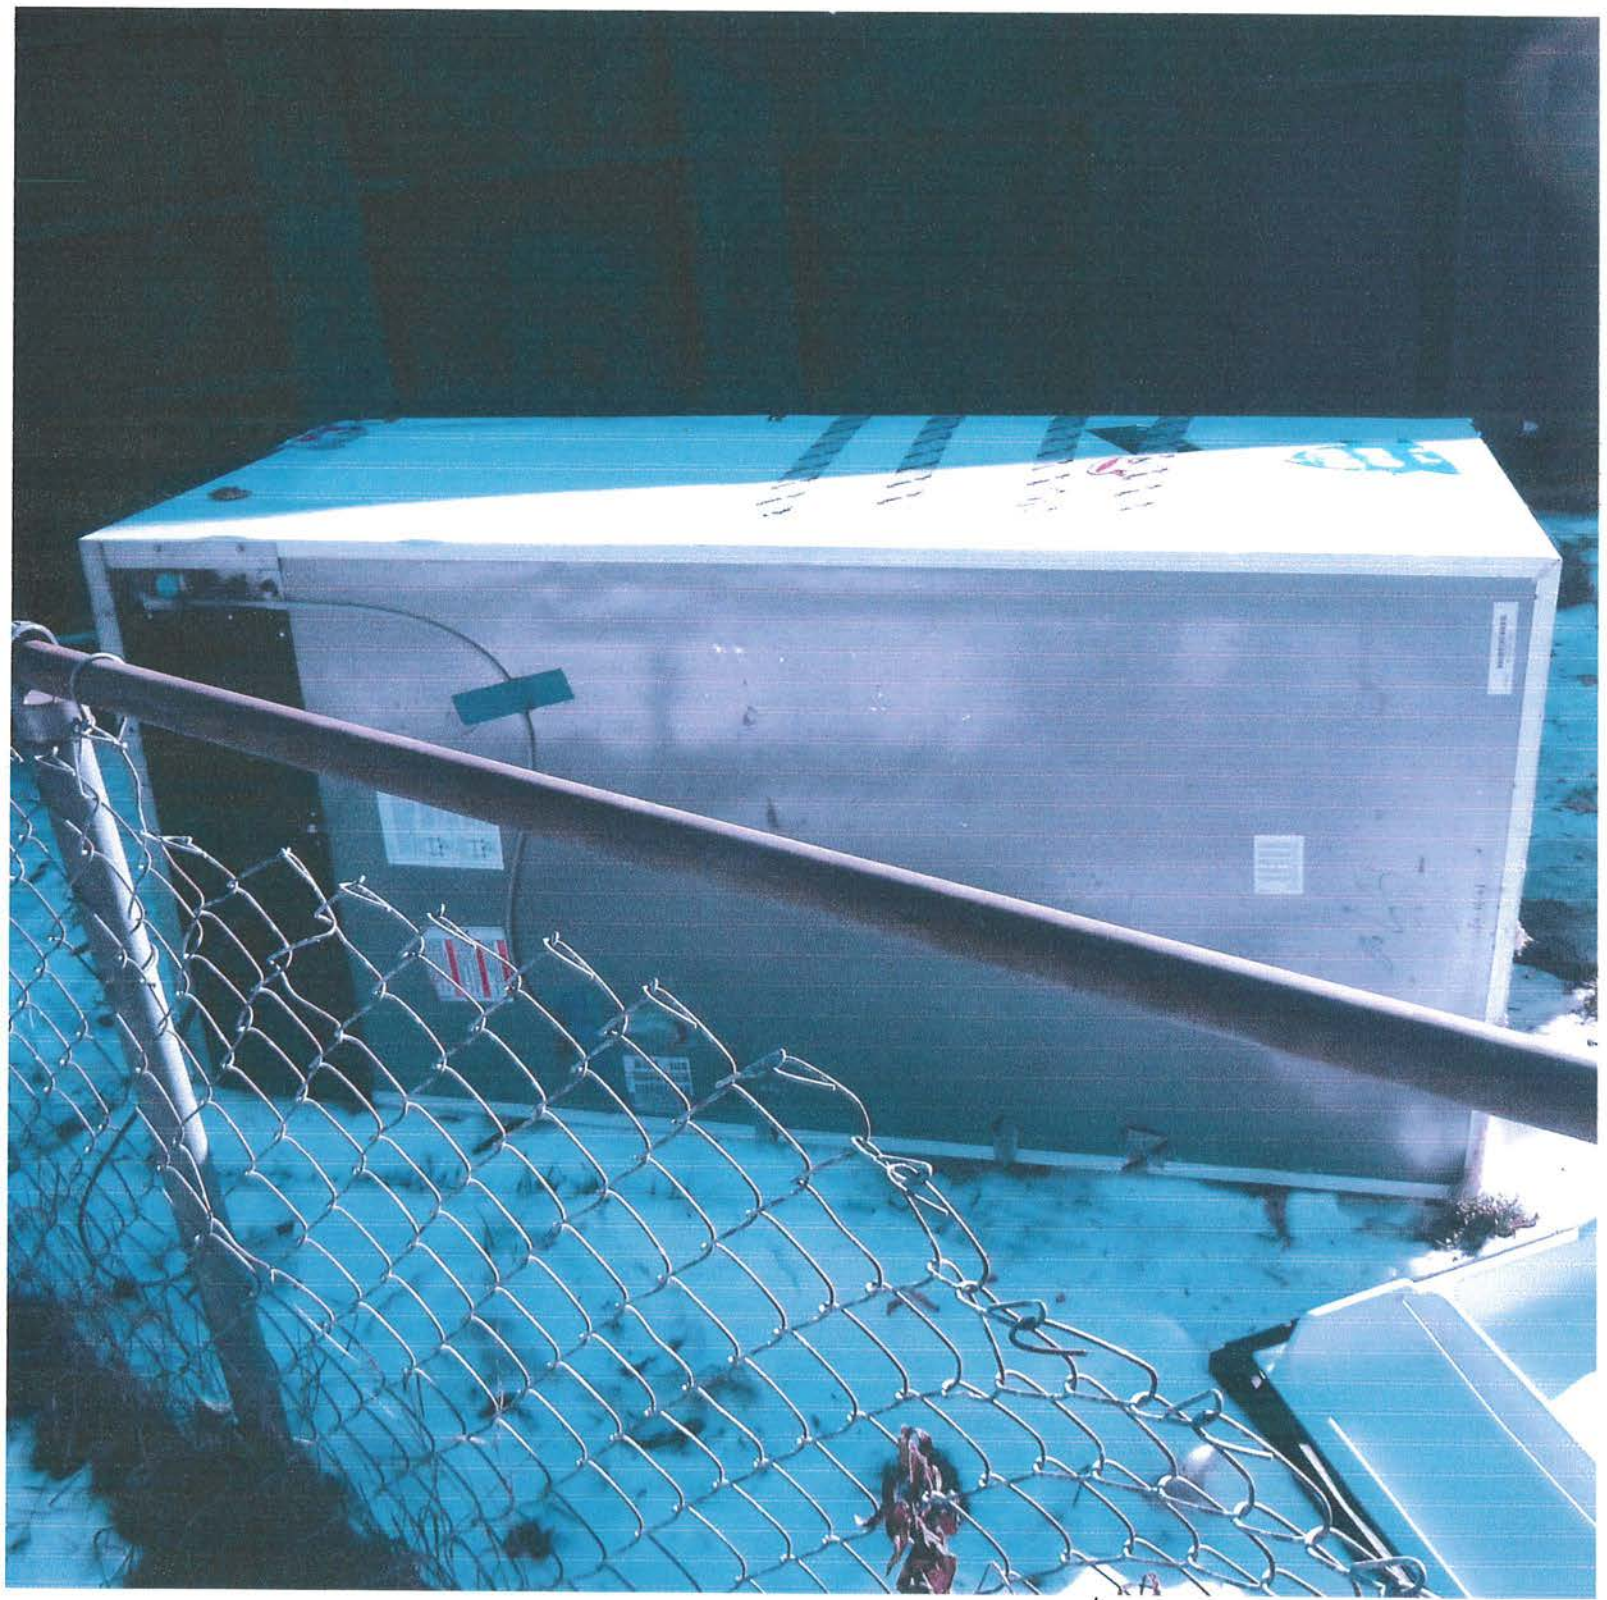

Also pictures of the lot at 107 Jessamine (behind my garage) full of old cars.

Car lot or junkyard?

Why doesn't the inspector notice these obvious city violations?

Thanks

Fridge + broken fence Mike Jackson

Junk piled outside at 1140 Jackson (TV's, Refrigerator)
Broken chain link fence

Why doesn't the city get after this guy
starting a used car lot or junkyard
on dirt (no concrete or pavers) at 107 Jerusalem?
