I have scheduled the cart for 623 Fuller Ave to be swapped on Friday, August 2, 2019. We do not have a cube van in the St. Paul area on Wednesdays.

I called the homeowner to remind them to put the can out Thursday night for a swap out on Friday morning. Their voice mailbox was full and I could not leave a message. Can the City also try to call the RDU? They might have a different phone number than I do.

*Sincerely,*
