Resolution to Update the District 15 Highland Park Neighborhood Plan

Whereas, in January of 2017 the Highland District Council(HDC) requested the City of Saint Paul initiate an update of the District 15 Highland Park Neighborhood Plan; and

Whereas, the Highland District Council accepted applications for a Steering Committee to help study the transportation, housing, parks and recreation and land use in the defined planning area; and

Whereas, the D15 Steering Committee met numerous times over the course of 2017 and into 2018 to update the existing plan and discuss the future vision of the neighborhood; and

Whereas, the Steering Committee formed committees to review and update each section of the plan, held public meetings, created surveys and established a comment period before drafting the plan, and

Whereas, the Steering Committee released this draft for public review, held pop up meetings around the neighborhood, attended events, created a survey and did outreach before finalizing this draft, and

Whereas, the Steering Committee incorporated feedback on the draft plan from all City departments that submitted comments, and

Whereas the Steering Committee has updated the Highland District Council at every board meeting throughout the process, and presented their findings and draft plan to the HDC Board of Directors in the Fall of 2017, the Fall of 2018 and final draft in April of 2019; and

Whereas, the City of Saint Paul's Planning Commission recommends updating the existing District 15 Highland Park Neighborhood Plan every 10 years; therefore

Be it resolved, that the Highland District Council's Board of Directors supports the current draft of the Highland Park Neighborhood Plan and recommends approval by the Planning Commission.

Adopted on April 17, 2019
