Subject: Gabe's by the park license modification

I am very concerned about them playing music outdoors until 11 PM. I am just down the block at 1014 Lexington Parkway N. This would greatly affect my quality of life during the summer. I just spent a lot of money to install a patio door so I can have an outdoor area next to my home. I have also just obtained a permit to rent my home out on Airbnb. I'm already battling a lot of traffic noise, and I feel that this Outdoor music will greatly limit the enjoyment of my home.
