Hi Jeff –

Just back from vacation and wanted to touch base with you. I know you had discussed an appeal of the decision and guess you have been doing some research. I want to flag a couple of issues –

The first being that the window for Mr. Price to actually select the 10 day period is rapidly closing because the suspension period needs to start before August 20th.

The second being that a stay of the suspension is not automatic if appealed.

If you have any questions, please feel free to give me a call – Thanks - Therese
