Sound Level Variance Application

Legislative Code Chapter 293. - Noise Regulations

Application and \$172 fee payment should be submitted a minimum of sixty (60) days prior to the scheduled event start date. A public notification period is required prior to scheduling the application's Public Hearing before the Saint Paul City Council. Applications received fewer than sixty (60) days prior to the event may not satisfy the ordinance's processing timelines for placement on the Council's agenda.

Clutch Brewing Company

- Organization/person seeking variance: _____
- Event Name: _____ Clutch Brewing Company First Annual Halloween Anniversary Bash
- Address and physical description of noise source location (Event, Worksite): 928 7th St West, Saint Paul, MN 55102
Outside of the Keg and Case Market in the green space and patio.
- Responsible person: Ryan Worthley Title: Front of House Manager
- Telephone: 651-323-7230 E-Mail: ryan@clutchbeer.com
- Date(s) variance requested: Saturday October 12th
- Noise source - Time(s) of operation: Background music from 2-7:30 movies shown from 7:30-11
- Time(s) of pre-event sound check: n/a
- Sound level requested (dBA/Decibels): 90 dBA it will probably be quieter than that but just to be safe.
- Mailing address w/zip code: 923 7th St West Suite 201, Saint Paul, MN 55102
- Briefly describe the noise source and equipment involved: Small PA system with 2 speakers for background music and a small PA system for showing the movies.
- Describe the steps that will be taken to minimize the noise levels: We will only have the volume up as loud as it needs to be for the movie dialog to be heard by our guests and the speakers will be pointed south towards an industrial area. The earlier background music will not be loud at all.
- State reason for seeking variance (example - music, announcements, construction, etc.): For background music and audio for the movies we are showing.
- A site diagram & map must be attached showing location of noise source(s), streets, stages, tents, etc. (If there will be amplified sound, indicate location and direction that all speakers will be facing).
Multiple locations may require more than one application.
- Submit completed application, site diagram/map, and \$172.00 fee to:
