Ms. Fida was concerned that it was well past the 10-day appeal date. I assured her that she could still file an appeal. She wants more time to complete the deficiency.

Sincerely,

Hi Laura,

I just took an appeal for the Dari-Ette - 1440 Minnehaha Ave. E. Lois said that she had a conversation with you on Sept. 5<sup>th</sup> and you said she could appeal. Mai Vang would just like to know what you spoke with her about and to send us an e-mail of the conversation for our files.

Thanks,

Janis
