RE: ABATEMENT ORDER ON PROPERTY
1011 HUDSON ROAD
SAINT PAUL, MN 55106

To Whom It May Concern:

I am the tenant that lives at 1011 Hudson Road with my father, Neng C. Vang, who is the owner of this property. We have lived in this house for 25 years on the eastside of Saint Paul. I have kept and maintain this property to the best that I can and I also compile when necessary. If you look at the history of this property, there is no outstanding record.

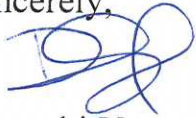

On Thursday, September 26, 2019, as I was leaving for work that morning, I notice that someone else other than myself or father, threw out a couch onto the back of our alley property. And yes, I was angry and furious as why someone in their right mind would do this. The following morning, not only was there a couch but they also added two black trash filled garbage. I took the initiative as a good citizen and reported to City of Saint Paul. I called and made a complaint for "DUMPING" on my property. They reassure me that Public Works would come out on Friday, if not, Wednesday Oct 2nd at the earliest. I hung up and felt better knowing that I put in a complaint and was reassure Public works WOULD come out to take care of it. On October 1, 2019, I, myself, and my father received letters in the mail from the City of Saint Paul issued by James Hoffman Badge # 356 for an Abatement Order. I really did not appreciate this at all. Because on September 28, 2019, I hired Junk Genius to come and take my two couches, bed, TV, TV stand, and stereo that I had paid out of my own pocket because I did not want to throw or liter in my own yard or neighbor. I am not a negligence or irresponsible tenant.

I want you guys to know that my neighborhood is notorious for being a dumping ground. I am well aware. I tried real hard to keep my home and property as clean as possible so I don't get no complaints. And prior, I have never complain or even bother when rude people after rude people kept dumping their crap or tires onto my property.

Along with this letter, I have attached a copy of my receipts from Junk Genius, picture from that day the couch was dumped, the day the two black trash bags were added, and pictures from where the couch had initially came from. I hope this is enough evidence and enough for you to understand my frustrations.

I implore you to reconsider the abatement order. Thank you!

Sincerely,

A handwritten signature in blue ink, appearing to be 'DV' with a large loop and a horizontal line extending to the left.
