Chris,

We received a payment for Q1 invoice # 0000012576 on 2/7/2019 for \$127.16 the payment was late. The assessment for \$6.36 is correct and due. Just an FYI the 4/5/2019 bill was also paid late on 5/9/2019 and the 7/5/2019 has not been paid as of today.

Thank you

Hello Greg,

The property has a pending assessment of \$6.36. John believes he paid the Quarter 1 2019 bill before he left for a vacation in Europe. He is not sure when the payment cleared. Can ADS look into this and provide a payment history? Please let us know when payment cleared and if the pending assessment is valid. We think \$6.36 is the difference between the two base collection fees.

Thanks!
