Dear: Muneer Karch-Ramos,

We are happy to inform you that the Minnesota Department of Human Services (DHS) has selected your proposal submitted in response to the Whole Family Systems Request for Proposals (RFP) published on March 2<sup>nd</sup>, 2019.

DHS' Child Care Services, Employment Assistance and Economic Supports, and Child Safety and Permanency Divisions are excited to partner with you in a collaborative learning relationship to advance whole family approaches. We appreciate the time and effort you and your partners dedicated to submitting a strong proposal, and welcoming State staff on a site visit to learn more about your organization.

The directors of Child Care Services, Economic Assistance and Employment Supports, and Child Safety and Permanency are looking forward to meeting with you and your executive team in the coming weeks to talk about your project and next steps. Someone from the state will be contacting you to set up that meeting, and you will also be hearing from a contract manager to provide more information about the RFP decision and contract negotiations.

We are excited to move forward on partnering with City of Saint Paul to more holistically meet the needs and aspirations of Minnesota families.

Sincerely,

Jovon Perry,
