Re: Joseph's Grill Inc. 140 Wabasha Street, St. Paul 55107

To Whom It May Concern,

On December 10<sup>th</sup>, 2019 WSCO Voices Land Use Committee, reviewed the request from Joseph's Grill Inc. located at 140 Wabasha Street. After review and discussion, District 3 Council voting members unanimously voted in strong support of the 45-day waiver request to have the liquor license reinstated as soon as possible for Joseph's Grill. This establishment has long been considered an asset to our community, and we support the continuance of their operation.

Please contact the WSCO office at 651-293-1708 with any further questions or concerns regarding this matter.

Sincerely,
