Hi Matthew,

Sorry for the late notice here, but since we sent our letter off to you, the applicant at 35 Winthrop contacted the District 1 office. The Land Use Committee was able to discuss his rationale and we are supportive of this particular variance. Please share this with the commissioners.

Thanks so much,
Paul

Hi Matthew,

Please find attached a letter from the District 1 Community Council on the subject of front yard parking pads. I understand that one of these cases is on the BZA agenda for next week, so our position on this issue is timely.

Please let me know if you or any of the commissioners have any questions.

Thanks,

Paul
