I was hoping to hear back from the Hearing officer/coordinator today but they are both out, I don't foresee it being a problem, but I'll get back to you ASAP Thursday morning.

Hello Joanna,

Happy New Year to you as well!

Last month we completed an onsite assessment with Brothers Fire & Security out of St. Cloud. After the assessment, we were notified that blueprints are required to get the work started. Unfortunately, it took longer than anticipated to locate original blueprints for both properties, which date back to the 1930s. This set our schedule back more than

anticipated. That being said, the plans were received last week and Brother's Fire and Security reached out to Mr. Perucca in hopes of discussion this week. As a result, can we push back the meetings with Ms. Moermond to the week of the 13th?

We do apologize for any inconvenience this may cause and Appreciate for understanding of this matter. We look forward to hearing from you.

Hi there,

I tried reaching out via phone at the number left on your appeal, but due to the holiday was told email may be the best way to reach you. Ms. Moermond, the legislative hearing officer, was hoping you'd be able to come in **at 1:00 on Thursday, January 2<sup>nd</sup>** (instead of 1:30). We're trying to give some buffer time as the other 1:30 case may take a while.

If one of you could confirm that this would work with your schedules, it would be much appreciated.

Thank you! Happy new year,

Joanna
