This project has been reviewed by the Minnesota SHPO pursuant to the National Historic Preservation Act (36CFR800), the Minnesota Historic Sites Act, and the Minnesota Field Archaeology Act, as applicable. There are no reported historic or archaeological resources in the project area, and we feel that the probability of any unreported properties is low. Therefore, based on available information, we conclude that no historic properties eligible for or listed on the National Register of Historic Places will be affected by this project. If you have any questions, contact the Environmental Review staff at (651) 201-3286.
