To whom this may concern:

There is a reason why I have not payed a Trash bill, I have lived in my Home since 1974. IN 2006 I retired and became a snow Bird, I have no Trash to be Hauled off my property. That container that was left on my property is still empty. I only eat out and choose not to create trash. IN 2018 I only stayed at 377 Arundel St. Paul, MN. 121 Days. NO Trash? If i had Trash I would have paid the bill, Charles E. Milliner
