Hi Katherine,

I'm sorry, the photo of the can was taken the day that we delivered it. I am just trying to get confirmation from my driver that no other trash was hauled above and beyond your can that you do have.

I am working on this.

Sincerely,

Susan Stewart

Hi, Sue,

I am working with you to resolve a billing issue.

You were going to send a photo of my trash cans showing how many there were at the time of the photograph.

It has been several weeks and I still have not received this image. I did leave a phone message last week. Send it to davidhgriffith@gmail.com please.

Thanks,

Katherine Griffith
