

To Whom it May Concern,

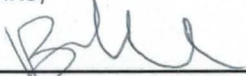

My name is Belainesh Tekle. I reside at 410 Virginia St., Saint Paul, MN 55103. I live in the upstairs unit.

Regarding the issue of trash, I only use the large dumpster provided by Advanced Disposal. I never use the small ones that showed up on the side.

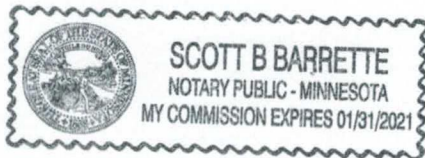

The dumpster seems to be enough on its own, so I never saw any reason to use another container. Besides, I have been vegan for over 35 years, and I have very little garbage because I compost.

I am usually at work, as well, so I usually throw my lunch waste away there. Which reminds me, I am very disappointed that the City of Saint Paul has not dropped us off a recycling bin, so I have to continue to take my recyclables elsewhere and recycle on my own.

Thanks,

Belainesh Tekle
