I am sure they will reassess at the date gets closer if it is necessary if council has not resumed in-person meetings. As it stands now your public Hearing date will remain for June 3.

Thank you for postponing the meeting. I feel June is too optimistic. In all fairness, please let me postpone this, until the virus is gone. I do not like being doubly victimized.

Good morning Ms. Brandt,

I'm reaching out regarding the City Council Public Hearing you are scheduled for this coming Wednesday, for your Appealed Special Tax Assessment for property at 1940 Fairmount Ave (File No. J2004E, Assessment No. 208303). Due to the current situation, the City Council is holding their meeting, however you would not be able to testify in person. **Because of this, Ms. Moermond is recommending continuing the matter to Public Hearing on June 3, 2020 at 3:30 p.m.**

Please note that both your pending Tax assessment Public Hearings (including Tax Assessment File No. J2007E, Assessment No. 208306) will be on June 3.

Please let me know if you have any questions, and please confirm receipt of this email.

Thank you!
Joanna
