**Subject:** Green Mill License Application

Hello,

I just chatted with Katie Burger and would like to summarize that conversation by stating in writing that I do not object to the license application by the Green Mill if and only if it is amended to remove just 1 condition:

No expansion of bar seating

This compromise was reached during a conversation on March 6 between owners Paul Dzubnar and Mary Jule Erickson, and neighbors Gary Taruscio and Dan and Susan Casebeer. We (Gary, Dan, and Susan) do not speak for anyone else in the neighborhood. Please inform me whether the application has been amended, whether the legislative hearing will happen, and any other pertinent information about this application.

Thank you,
