Hello Joanna,

I called about two hours ago but got your voicemail. I looked at the pictures and notice what had happen. The couch that was picked up by the city was in a parking lot that doesn't belong to us. That parking lot has a separate property ID and a separate owner. What time should I call in or be aware of a phone call coming in so I can answer. I would be more comfortable doing the conference call. Thank you and have a great evening.
