Yes, that is the amount that remained unpaid on the \$228.31 for the cost of service for a medium and large cart with a late fee.

Thank you Chris! I am confused though. Wasn't the assessment for \$13.15?

RS is right, the \$228.31 is the cost of service for a medium and large cart with a late fee. The resident should follow up with their closing company.

Pending Assessment Amount: \$13.15

Quarter Pending Assessment is For: Q4 2019 October -December

Summary of Issue: Resident states she doesn't believe she should owe this amount. She took ownership mid-December 2019. She states she then did not receive service for weeks because of problems setting up service with the hauler. She stated they issued "all sorts of credits" and said she didn't owe anything. I did explain she is responsible from the date she took ownership. Please provide a billing history for Q42019 and Q12020 for this property. Thanks
