**RE: DATA PRACTICES REQUEST D007626-052919**

Dear Ms. Moore:

I reside at 559 S McKnight Road with respect to proceedings by the City against me for unpaid trash bills.

1. I hereby request, pursuant to MN Statutes Chapter 13 a list of all St. Paul Citizens with unpaid trash bills with their names and addresses.
2. All letters, e-mails, correspondence between Leonard Anderson and the City of St. Paul including a video copy of the City Council Meeting from Wednesday, July 24, 2019 where Marcia Moermond reduced my trash can size and billing to about \$67.
3. I need all the data of the new trash can mess since the day of inception or 8-18-2018 to the present April 2020 since I never received a correct bill . . . I demand a correct bill at this time before I attend any future City Council Hearings; furthermore, I will be sending you a letter from my Doctor stating I should stay away from crowds of people to protect my health from the COVID-19 virus.
4. If any data has been lost, deleted, destroyed or is no longer available identify the data and all reasons why it was not maintained.

Sincerely,

Leonard N. Anderson
