Then I don't think it has been sent to Office of Financial Services yet.

Hi Mai,

It looks like the Work Order was executed on 2/24 and the Invoice was submitted on 3/1. I have attached a snip of the Parks Work Order.

Please let me know if there is anything I need to do for follow-up.

Thanks,
Dick

Richard,
I don't see an assessment for the clean-up you mentioned.

Good morning Mai,

Somehow, this complaint generated a Work Order instead of a Summary Abatement and Parks did a cleanup on this property. I am assuming that I clicked on the wrong box on the App.

Can you please remove the clean-up fees from this property since they were not notified of the deficiency?

Please let me know if you have any questions.

Thanks,
Dick
