Project Description: Installation of bike lanes on Territorial Road from Berry Street to Raymond Avenue with mill and overlay in Fall of 2020.

Project Stage & General Timeline: Community Engagement and Project Design

Public Hearing Date & Location: City Council, date TBD

Cost & Primary Funding Source(s): TBD

Transportation Committee Role:

- Inform project scope & approach Inform design Inform implementation
- Make recommendation

Explanation Territorial Road from Berry Street to Raymond Avenue will be resurfaced in the fall of 2020. Consistent with the Saint Paul Bicycle Plan, Public Works is proposing to install in-street bike lanes. Parking is proposed to be removed from the north side of Territorial Road from Westgate Drive to Raymond Avenue, and from the south side of Territorial Road from Berry Street to Eustis Street.
