The inspector has confirmed it is occupied. The file is closed and we recommend deleting the fee.

Once I entered the file and is in Agency Ready status, you can't amend and a duplicate file should be not entered. I will have to do on my end. Just let me know and I can add note to file.

Good morning Mai, once Inspector Gavin confirms occupancy we plan on closing file and would recommend deleting fee. Should I go in and write a new report in Legistar at that time or do you want to amend the existing one that you already created. Thanks.
