**Subject:** ZF #20-029704 (156 N. Dale St)

Hello Paul and Tony,

I am writing to request that the Zoning Committee extend the deadline for public testimony regarding 156 N. Dale St.

We have a Community Forum scheduled for Saturday morning, followed by a SUPC Board meeting on Tuesday evening. We would be able to provide a District Council recommendation at that time. We are in contact with the developers and the Ward 1 leadership team who are going to attend the Community Forum. We believe that it is important to discuss this development at a community level because we are familiar with the complex and tense conversations regarding a recent neighboring project.

We were confused by the timeline of events, and believed that we had until the end of next week to connect with you. We didn't realize that the deadline for public testimony would be tomorrow afternoon. This development has been a little confusing paired with current events that have disrupted our typical process.

Please reach out if you have any questions, and we appreciate your support during these challenging times.

Thank you,

Jens Werner
