Date: **May 28, 2020**
RE: **653 BURR ST**
File #: **20-030651**

Dear Sir/Madam:

The City of Saint Paul, Department of Safety and Inspections has inspected the above referenced property on **May 28, 2020** and has determined that the following deficiencies exist in violation of the Saint Paul Legislative Code¹ (see footnote 1, below).

1. SPLC 34.08 **PARKING**: Parked or stored vehicles. All existing parking spaces shall consist of asphalt, concrete, gravel rock, or other durable and dustless surfaces. Existing parking surfaces must be maintained in a professional state of repair and may be maintained with like materials without additional approval from the city. Existing parking surfaces must be contained to eliminate migration onto other adjacent surfaces and must be clearly delineated. In all residential districts, off street parking shall not be located within any front yard or non-interior side yard. Before any existing parking spaces or driveways may be expanded upon, site plan approval must be obtained as specified in the Saint Paul Zoning Code and the lot must be developed in conformance with such approval. **CARS PARKING ALL OVER YARD, UNAPPROVED SURFACE.**

2. SPLC 34.08 **SANITATION**: All exterior property areas to be maintained in a clean, safe and sanitary condition, free from accumulation of garbage, mixed municipal solid waste, animal feces or refuse.

Immediately remove improperly stored or accumulated refuse including: garbage, rubbish, junk, vehicle parts, wood, metal, recycling materials, household items, building materials, rubble, and/or tires from the property, boulevard, driveway, alley and yard. **SIDE PORCH AND YARD**

You are hereby notified to correct these deficiencies in accordance with the appropriate codes. The Enforcement Officer will re-inspect these premises on or after **June 05, 2020**, by which

date the violations noted must be corrected. **Failure to correct these deficiencies may result in the issuance of criminal charges²** and/or a civil lawsuit, and possible abatement/assessment by the City. All repairs and new installations must be made in accordance with the appropriate codes. Permits may be obtained by calling 651-266-8989.

You may file an appeal to this notice by contacting the City Clerk at 651-266-8585. Any appeal must be made in writing within 10 days of this notice. (You must submit a copy of this Notice when you appeal and pay a filing fee.)

Footnotes:

- ¹ To see the Legislative Code go to www.stpaul.gov on the internet, click on "Departments", then click on "Department of Safety and Inspections", scroll down the page for the "Codes". Most Correction Notices derive from Chapter 34.
- ² Criminal charges can be brought on the day the violation is observed, but generally we allow time to correct unless this is a repeat violation.

WARNING: Code inspection and enforcement trips cost the taxpayers money. If the violations are not corrected within the time period required in this notice, the city's costs in conducting a reinspection for compliance after the due date will be collected from the owner rather than being paid for by the taxpayers of the City. If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within said 12 months will be collected from the owner rather than being paid for by the taxpayers of the City. Any such future costs will be collected via assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
